Subject: Invitation Letter

It is my pleasure to invite you as a researcher at the ProAccom GmbH within a short-term research internship "Catalyst Granulation Equipment Design" in a period from January 21, 2022 to January 31, 2022.

Your research will be the next step of our collaboration and corresponds to the research area of our company. I confirm the significance of your project for the up-to-date engineering trends. We are convinced that your experience will make a significant contribution to the related research in this area at our company. And I will provide all the technological facilities for achieving scientific novelty and high quality of the expected outcomes.

Our company will cover costs concerning your travelling and accommodation. However, our company will not provide costs concerning daily allowance. The salary for your research is also not provided.
